Website Maintenance and Marketing Package:

Website Maintenance and Marketing Package (one year contract)	<p>complete website maintenance with unlimited changes, updates, new pages, photos, etc throughout the year - just email or phone me!</p> <p>*SEO (search engine optimization): I specialize in top search engine ranking so that people find YOU on the internet, not your competition</p> <p>three complete Website Reports (every 4 months) that detail your hits and ranking on all the major search engines with a continuing graph and analysis of your website's performance on the internet over time.</p> <p>directory submissions - I submit your website (by hand) to topic-related directories throughout the year to increase your link popularity and themes.</p>	<p>\$1500 CDN per year</p> <p>taxes included</p> <p>no surprise costs at any time throughout the year! (the only extra costs are for hosting and domain name registration as outlined below - usually less than \$100 per year.</p> <p>I do not provide hosting. This is good for you because, if you ever decide to cancel my services, you will NOT need to move your website!</p> <p>However, I WILL help you select the right hosting company and the right package and will help you set it up</p>
website design	<p>I will design a website that you are happy with. Your complete satisfaction is guaranteed.</p> <p>Any text changes, edits, new pages, new pictures, Flash, etc. that you require will be done until you are completely satisfied with your website. Most Flash animations are included.</p> <p>All of my websites are original - I do not work from templates as they do not provide 'clean' code and can interfere with your search engine ranking.</p>	<p>free when you sign up for the Website Maintenance and Marketing Package</p> <p>see www.websiteenglish.com for my portfolio of website designs</p> <p>Original graphic art, logos, photos, and copywriting of technical documents (such as specialized articles or newsletters) must be supplied by you.</p>
hosting (ISP - internet service provider)	<p>I will help you select the right hosting company, choose the right hosting package and assist you in setting up your website hosting</p> <p>I do not provide hosting. This is good for you because, if you ever decide to cancel my services, you will NOT need to move your website!</p>	<p>consultation and assistance included in the Website Maintenance and Marketing Package</p> <p>hosting costs are extra (usually less than \$100 per year)</p>
domain name (website address)	<p>If you don't already have a website address, I will help you select a '<i>search engine friendly</i>' domain name and assist you in registering it.</p>	<p>consultation and assistance included in the Website Maintenance and Marketing Package</p> <p>domain registration costs are extra (usually less than \$20 per year)</p>
